v. 10.25.16

Declaration of Intent to Pursue the Segal Design Certificate

Segal Design Institute

Name _____ StudentID_____

Major(s) _____ NetID_____

E-mail _____ Degree Date (MM/YY)_____

Please indicate the courses you expect to use to obtain the certificate keeping in mind that **only two of the courses needed for the Segal Design Certificate may also be used to fulfill the requirements in the "Major Program" of your BS or BA as described in the undergraduate catalog.**

Requirements

1. Pre-requisite (one unit)
   DSGN 106-1, Design Thinking and Communication
   or DSGN 208, Design Thinking and Doing (formerly DSGN 295)
2. Required courses (three units)
   - Design project course sequence
     DSGN 380-1,2 Industrial Design Projects I & II **or**
     DSGN 384-1,2 Interdisciplinary Design Projects I & II
   - Portfolio course – DSGN 370, including presenting at the Segal Design Expo
3. Elective courses (three units)
   - At least one unit must be a DSGN course

Notes on selecting courses

- Up to two of the courses needed for the Segal Design Certificate may also be used to fulfill the requirements in the "Major Program" of your primary BS or BA degree as described in the undergraduate catalog
- Courses must be taken for a grade (not P/N)
- Grades must be "C" or higher for the course to be applied to the Certificate
- Electives must be from the Approved Elective list, or approved by petition (no more than one unit by petition)
- At least one elective must be a DSGN course
- At least two electives must be 300 level
- Graduate courses cannot be used toward the Certificate
