1. Student purchases must receive pre-approval from the MMM administrative staff.

2. Please plan ahead, and consult with MMM administrative staff to make your purchase through the University purchasing systems instead of from your personal funds whenever possible.

3. Northwestern University is tax exempt. Please use a Tax Exempt One-Time Use Letter each time you make a purchase to ensure you are not being charged for exempt taxes. The MMM Associate Director or Program Assistant must sign the tax-exempt letter before use. Please note that there are a few exceptions to tax exemption, including hotels and restaurants. If you have any questions about whether a purchase is tax exempt, please contact the MMM Program Assistant for assistance. **If you are charged for taxes in which the University is exempt from paying, you will not be reimbursed for the tax amount paid.**

4. A W-9 form will need to be completed before any reimbursements can be issued. It is recommended that you complete and submit your W-9 prior to incurring any expenses in order to expedite the reimbursement process.
